Module 6: Nigerian Labour Law — Workbook

A Traction Outsourcing Limited HR Training Resource

How to Use This Workbook

This workbook accompanies Module 6: Nigerian Labour Law and contains 100 exercises organized into three parts. Work through each part in order, or use individual exercises to review a specific section of the module. Exercises are grouped by type, and within each type they follow the same section order as the module.

Type A — Written Response (20 exercises, A1–A20)

Each item presents a question, statement, or workplace scenario drawn from the module. Write your answer in the ruled space provided, or on a separate sheet if you need more room. These exercises have no single correct wording — they are graded by your facilitator against the concepts covered in the module.

Type B — Multiple Choice (40 exercises, B1–B40)

Each item presents a question or scenario with four possible answers (A–D). Mark the box beside the one best answer. Check your work against the Multiple Choice Answer Key at the back of this workbook.

Type C — True/False (40 exercises, C1–C40)

Each item presents a statement drawn from the module. Mark whether the statement is True or False. Check your work against the True/False Answer Key at the back of this workbook.
